

## Iguana Craft

Make your very own Rhino Iguana just like Gojira!

What you need:

- Toilet Paper Tube
- Green Paper (or white paper colored with green crayon)
- Scissors
- Glue

Directions: Wrap your tube in green paper. Then cut out a spine and glue it onto the tube. Cut out 4 legs and feet and attach on either side of the iguana. Then cut out a head and attach. Add a long spiky tail and attach. Finally add any additional features to make your iguana look amazing.

Concepts:

- Jobs - coloring, gluing
- Fine motor skills - gluing coloring cutting
- Imagination - Train your new iguana
